About Upwork Global Inc.

Upwork provides an online workplace, where freelancers provide online, virtual services to companies across the globe. The individual above is an independent contractor and not an employee of Upwork nor the clients to which the individual provides services. The freelancer offers his/her expertise to the public, using the freelancer's own equipment and assets and retains the possibility of profit and loss. Upwork does not control the freelancer's ongoing earnings. This statement is a confirmation of the work performed by this freelancer for his/her clients through the Upwork platform, and not a guarantee of future earnings.
